Save Lives

THUMBER APPEARS THOSE ASS maliv ways to say "Norr-Christman " But, containly, one of Sees, was not to kell more Page 100 men a carea and children on the police authorays unifor the period tolday sea-

When the rold statistics intlinterface as here at the Statlanal Safety Connell that 40 perc plo might by billed over the Christman, heliday reason sunless the entra traffic hazards of the se as were met with exter can, we condult help but believe that the Bristmas spirit of "pears on earth, good will fowerd men" would be brandated into friendly courtesy behind the wheel and hold discrettiis traffic fall. We were wrom. The toll extended our

More than 350 becade were hitfel in helitary traffic aceldenty plone. Ten timees that many insered, many of them for life. More than 700 penplo jubil in all kinds of neeldents over the holiday period. Is this the kind of a celebration a Christian nation must give a religious heliday? I reture to believe It.

Now, our statistical studied legit us to helleve that 360 persons will be killed on the roads during the New Year's woo kend What on we to about it? Is

there any way to pull down this congraceful traffic record, or must we resign ourselves to wholesale stauchter on the highway as a "price of prog-

There certainly is a way to cut the death total. First. every decent must and wernanin America who is sick and tired of this conscless and brutel waste of life and limb can make up his or her mind to behave better in traffic. Every one of us can drive more carefully, more courteously and time intelligently than we do it we honestly put our mind to It, If's time we started - even the hest of us.

And every one of us can enlist in the war on accidents by teaming up with our friends and redalibors in an organized effort to make one communities safer. John your found safety campaign. Do you part.

More immediately, make a New Year's resolution right. now to drive carefully, sensibly and confecusly over Nex Year's heliday, Don't mix ateanor everybody else on the road had been celebrating. And keep right on driving with extra care and common sense throughout 1951.

If enough people do this watch the traffic tell come down. Rigid law enforcement, better highways, better traffic engineering - all these are important.

But most important of all this that you and I, as individuals, want to drive better and more carefully. Let's start doing it

Foy's Son Can **Recall Famous Theater Fire**

By BOB THOMAS

HOLLYWOOD IN -- "The fire started right above my head. I can remember a fireman standing next to me and trying to beat it out with his hands. Then I remember looking up and seeing a lot of comen around me. They were chorus girls and they were scream-ing and shouting words 1 had never beard before. Then my fath er picked me up and threw me over the heads of other people to a man who got me out of there." This was film producer Bryon Foy cemembering Chicago's Iroquois Theater fire, which killed

602 people 50 years ago today. Foy a memory of the disaster is dim, since he was only 4 at that time. But certain scenes of that horrible night were impressed on the boy, and he recalls the recountings of what happened from als father, Eddie Fog Sr.

Here's how the producer retol! the story in his Columbia Pletures

"Every Christmas when my father was on the road, he would send for my mother and the kids from our home in New Ruchelle, N.Y. There were three or four of us then, and we hadn't joined the act yet, I was the ordest.

"That year Dad was playing an extravaganza called Mr. Bloobeard' in Chlengo. We arrived and were put up at the Sherman House. Our blg trent on the day HOLLYWOOD M-Just 40 years before New Year's Eve was to see ago today a building stage director the show from a box. But it was in leather puttees flist should such a sellout that even the star of the show couldn't get seats. So Those words beraided the birth he said, Th take Bryan and ha

"I was there in the wings watch-Mille, now 72 and still gaing strong, when the fire started, My father, That first De Mille production was writing offstage to go into a number with a donkey. Ht was shot on a the hero of the fire. After he got the number of the fire. After he got the compositive and kept me out, he ran onstake and kept the orchestra playing and tried to calm everybody. "The people were aiready lain-

But like most De Mille pletures ming against the dows, which since. "The Squaw Mnn" made opened inward so they couldn't be ilready budgeted at six million which drew the thre from bucks stage into the theater. My father stayed onstage, even though his clothes were burning. He was the last to leave the, theater. "When I got out of the place

IT'S THE VOICE - Veola Vonn, a regular performer on the Jack Benny and other shows originating from Hollywood. Calif., has a novel idea concerning sex appeal for the gals, but it might necessitate some voice training for them. She insists that "voice seduction" is more important than a plunging neckline. According to Veola, many an illusion is usually shattered when a walking dream tries to be a talking dream as well.

Money Sickness Plenty Troublesome

BOSTON I - Your stomach trouble, headache, back pair or even an irregular heart migat actually be a form of "morney stekness" enused by a virus familiarly known as the

This new wrinkle in diagnosts was reported today to the American Association for the Advancement of Scient by a Boston doctor. He said varions physical symptoms can sometimes stem from emotional meets which, in turn, can be breathful on by "money problem possible among folks in all income brackets.

"Money-sielmess," declared Dr. William Kaufman, is "the med common psychosomatic illness of our time" - and yet one that is often missed by doctors in seeking the underlying course of a physical or emotional symptom.

Anvene from a miser to a gemoler and from chronis bargain hunters to "salesmen and executive," who are dozy with their own money but lavishly spend on "their com-pan,"s expense accounts," are candidates for the malady, Kaufman told the AAA's 120th meeting.

downed Dell 68-47.

SYNOPSIS

Dale Fraser has traveled from her small town home in Swanscombe to New York, to sign a contract for the publishing right of her late husband's novel. It was a book which Kelly Fraser had completed must before his untimely, accidental death, a work for which he held great expectations. So, his pretty young widow. Dale, manages to put aside her ravishing grief sufficiently to dress smartly, to face, serencity, in his office in New York, the man who will issue Kelly Fraser's rakes to the total complete the sufficiently to dress smartly. The cold water felt wonderful on her tace and hands. There was a comb in a cellophane wrapper, some her tace and hands. There was a comb in a cellophane wrapper, some his office in New York, the man who will issue Kelly Fraser's rakish feather, so she kept it in her target of the work of the hat's think—"

"I don't think—"

"I shall take my umbrella, anyway." She handed it to Don. "I know you feel like a fool carrying it, but I don't want my new permanent turned to frizz in a let the work."

I the cold water felt wonderful on her tace and hands. There was a comb in a cellophane wrapper. She was in no mood for the hat's hout I don't want my new permanent turned to frizz in a let the work. The cold water felt wonderful on her tace and hands. There was a let the work to the west than a taken my unbrella, anyway." She handed it to Don. "I know you feel like a fool carrying it, but I don't want my new permanent turned to frizz in a let the work." book to the worth. Here she meets the attable Phili Parrish, whose script had just been rejected by the bublishing firm. They leave the building together and Dale agrees to join Parrish in a cocktail, at a small cafe. As she sips the unfamiliar concoction, a strange drowsiness overcomes her. By time Phil bundles her into a cab. is fast asleep against its cushions. Re-alizing that he does not know this strange young woman's address, and cannot arouse her, he takes her to his apartment where his brother Don joins badly. She said, "I told you the

CHAPTER NINE AFTER DON had gone, Phil cither case, I expect it was a miscleared away the dinner dishes and went into the living room. He sat down in a big chair and smoked a cigaret, got up and touched Dale's shoulder. He shook her gently, if you feel up to it. Air will do self a nice girl, Don?" She sighed,

"Wake up," he said. She opened her eyes. "Take it easy," he said. "It's At the noted desk, when Phil "It's a girl," Dom said. he Phil Parrish." He waited a asked for Dale's key, the clerk Aggie, frankness saved time. moment, watching the shock of said, "This came for Mrs. Fraser." Agatha Galbraith looked in seeing him, of being here, fade from her eyes. "And before you get around to that chehe," he said, 'you're in my apartment. I had to take you somewhere, and we didn't get around to addresses.

Feel terrible?" She sat up slowly and pushed Phil." the blanket off. "Wait," he ordered, "I'll get
